Swindon Dolphin ASC

THE PARTNERSHIP

For five years, Swindon Dolphins ASC has trusted Silverback Sportswear for high-quality, durable swimwear that combines function, style, and club pride. This partnership highlights Silverback's commitment to delivering bespoke, performance-driven gear tailored for the rigors of competitive swimming.

THE CHALLENGE

Swindon Dolphins ASC approached Silverback with a clear goal: swimwear that met the club's need for professional performance and durability while also representing their unique team identity. As a competitive swim club, Swindon Dolphins needed gear that could withstand both training and competitive events, providing flexibility, comfort, and style.

THE SOLUTION

Silverback provided Swindon Dolphins ASC with a fully bespoke swimwear solution. Using advanced sublimation techniques, we designed high-quality suits that feature the club's branding in vibrant, long-lasting colors. Our eco-friendly, chlorine-resistant fabrics ensure durability against regular use in pools, helping swimmers stay comfortable and confident throughout every meet and practice session. Our European and Chinese manufacturing options enabled reliable delivery timelines, and our dedicated support for sizing and fit adjustments ensured that each swimmer could compete in swimwear designed precisely for their needs.

THE OUTCOME

With Silverback's tailored swimwear, Swindon Dolphins ASC have been able to strengthen team unity and pride while benefiting from high-performance, durable gear. Our flexible reordering system, with no minimum order quantity (MOQ) for repeat orders also allows Swindon Dolphins to onboard new team members seamlessly, ensuring every swimmer looks and feels their best.
